

General Instructions:

1. This Logbook forms an integral part of the record of study of MBBS students during **Phase II and Phase III Part I** in the subject of **Forensic Medicine and Toxicology**. It must be maintained regularly and produced whenever required by the department and at the time of eligibility verification for the **Phase III Part I University Examination**.
2. Students shall keep all logbook entries up to date. All activities, competencies, reflections, and assessments must be verified and signed by the concerned faculty member.
3. Logbook assessment shall be based on:
 - 1) Attendance
 - 2) Active participation in teaching-learning activities
 - 3) Completion of assigned competencies and activities within the stipulated time
 - 4) Quality of reflective writing,
 - 5) Professionalism and overall presentation of the logbook
4. As per NMC regulations, a student must have a **minimum of 75% attendance in theory and 80% attendance in practical separately in each phase of training** to be eligible to appear for the University Examination.
5. Internal Assessment shall be based on periodic assessments, assignments, logbook performance, competency acquisition, professionalism, and other assessment methods prescribed by the department and University.
6. The internal assessment (IA) marks of Forensic Medicine and Toxicology will be out of 100 for theory and out of 100 for practical.
7. Internal Assessment of Forensic Medicine and Toxicology is divided as 25 marks in phase II and 75 marks in Phase III part 1. The final cumulative IA is out of 100 for theory and practical each.
8. To be eligible to appear for the University Examination, a student must obtain **at least 50% marks in Internal Assessment combined (theory and practical together), with not less than 40% marks each in theory and practical separately**, as per NMC regulations.

Professional teaching hours- Forensic Medicine& Toxicology

Teaching method	Hours (II Phase)	Hours (III Phase- Part 1)
Lectures	12	35
SGD/Tutorial/Practical	25	65
Self-Directed Learning (SDL)	8	20
Total	45	120

Assessment Policy

Phase - II & III (Part1) MBBS	Subjects	Theory Marks	Practical Marks
First Internal Assessment	Forensic Medicine	100	100
Second Internal Assessment	Forensic Medicine	100	100
Prelims	Forensic Medicine	100	100
University	Forensic Medicine	100	100
Note: Remedial measures will be taken after prelims like extra classes and examination for students who are either not able to score qualifying internal marks or have missed on some assessments due to any reasons.			

Uniform Theory question paper Template for First and Second Internal Assessment (examination)

Sr No	Type of questions	Number of questions	Total marks allotted for each answer	Total marks	Level (Blooms taxonomy)
Section-I	Case study / National health problem based Long Essay structured Question	1 out of 2	10 Marks	Total 10 marks	All levels
	Concept based Short notes questions	05 out of 06	05 mark for each answer	Total 25 marks	Knowledge & Comprehension
Section-II	Concept based Short notes questions	05 out of 06	05 mark for each answer	Total 25 marks	Knowledge & Comprehension
	Objective Questions (MCQ, Fill in the blanks, one liner, Match the following etc.)	10 out of 11	01 mark for each answer	Total 10 marks	All levels
Section-III	Structured Short answer questions, short notes on AETCOM, Short notes applied aspects	04 out of 05	05 mark for each answer	Total 20 marks	Application, Analysis, Synthesis & Evaluation
	Ultra short questions base on core concepts	05 out of 06	02 mark for each answer	Total 10 marks	Application, Analysis, Synthesis & Evaluation

Sr. No.	Practical / Clinical Assessment methods (As per department Skill lists)
1	Practical/clinical tests / Clinical cases / Instruments and Procedure demonstration
2	Objective Structured Clinical/ Practical Examination (OSCE/OSPE)
3	Directly Observed Procedural Skills (DOPS), Mini Clinical Evaluation Exercise (mini-CEX)
4	Log Book and attitudinal assessment
5	Viva voce for Theory and AETCOM module
