1	Dr.Vinod Gautam	Congenital Absence Of Lower Limb, A Case Report .	No	--
2	Dr.Vinod Gautam	Camp And Hospital Approach For Correction Of Deformities In Residual Poliomyelitis.	No	--
3	Dr.Vinod Gautam	Epidemiological Study Of Hand Injuries.	No	--
4	Dr.Vinod Gautam	An Approach Towards Rehabilitation By Rural Amputee.	No	--
5	Dr.Vinod Gautam	Patondkr:Multiple Epiphyseal Dysplasia.A Case Report.	No	--
6	Dr.Vinod Gautam	Single Stage Surical Correction Of Five Finger Claw Deformity In Leprosy Patients.	No	--
7	Dr.Vinod Gautam	Radiological Findings In Planter Ulcers	No	--
8	Dr.Vinod Gautam	Results of thumb correction in leprosy using different techniques	Yes	--
9	Dr.Vinod Gautam	Self Made prosthesis for lower Extremity- An approach towards rehabilitation by Rural amputee	No	--
10	Dr.Vinod Gautam	Study of vertebral body replacement with reconstruction spinal cages in dorsolumbar traumatic and Koch's spine	Yes	--
11	Dr.Vinod Gautam	Comparison of tricortical autograft to artificial bone graft in anterior cervical discectomy and fusion with rigid plate fixation.	No	--
12	Dr.Vinod Gautam	Short term outcome of patients with proximal tibial fractures(Bicondylar) operated by double plate fixation with single anterior incision.	No	--
13	Dr.Vinod Gautam	Comparative study of short term outcome of patients with knee 15osteoarthritis treated with plateletrich plasma and steroids (Triamcinolone). A prospective,Randomized,double blind study.	No	--
14	Dr.Vinod Gautam	Comparison of outcomes of posterior cruciate ligament substituting vs retaining in total knee arthroplasty-a prospective, randomised, open labelled study of 30 cases.	No	--
15	Dr.Vinod Gautam	To compare outcome of minimally invasive Anterograde Titanium elastic nailing(RTEN) with that of a standard plating technique for the treatment of displaced midshaft clavicular fracture (MSCFs).	No	--
16	Dr.Pinakin Vora	Study of conservative management of frozen shoulder.	No	--
17	Dr.Pinakin Vora	Different modalities of treatment in floating knee injury-A research paper.	No	--
18	Dr.Pinakin Vora	Dorsolumbar vertebral fractures treated with short segment pedicle screw fixation without fusion.	No	--
19	Dr.Pinakin Vora	Short term outcome of primary hip osteoarthritis treated with total hip arthroplasty in adults.	No	--
20	Dr.Pinakin Vora	Short term outcome evaluation of conservative versus operative treatment of fracture clavicle a prospective observational study.	No	--
21	Dr.Pinakin Vora	A comparative study between laminectomy and laminotomy in patient of lumber disc prolapsed.	No	--
22	Dr.Narendra Mishra	Surgical management of fracture radial bone in adults with locking compression plate	No	--
23	Dr.Narendra Mishra	Infection rate amongst open fracture of long bone managed by primary osteosynthesis.	No	--
24	Dr.Narendra Mishra	Surgical treatment of pilon fracture.	No	--
25	Dr.Narendra Mishra	A study of results of long closed proximal femoral nailing in complex proximal femoral fractures.	No	--
26	Dr.Vishal Mehta	A study of results of long closed proximal femoral nailing in complex proximal femoral fractures.	No	--
27	Dr.Vishal Mehta	To determine efficiency of Ilizarov's circular external fixator in form of the bone outcome and functional outcome in treatment of femoral and tibial nonunions.	No	--
28	Dr.Vishal Mehta	To compare outcome of minimally invasive anterograde titanium elastic nailing(RTEN) with that of a standard plating technique for the treatment of displaced midshaft clavicular fracture(MSCFc).	No	--
29	Dr.Vishal Mehta	Comparison of outcomes of posterior cruciate ligament substituting vs retaining in total knee arthroplasty-a prospective.randomised,open labelled study of 30 cases.	No	--
30	Dr.Chetan Rathod	Lateral discoid meniscus Arthroscopic treatment-A case report.	No	--
31	Dr.Chetan Rathod	Review article-Arthroscopy in suprapatellar pouch.	No	--
32	Dr.Chetan Rathod	Suprapatellar pouch and its disorder.	No	--
33	Dr.Chetan Rathod	Case report-bilateral subtrochanteric fracture.	No	--
34	Dr.Chetan Rathod	Case report-Ochronosis arthropathy.	No	--
35	Dr.Chetan Rathod	Managemetn of old neck femur fracture through valgus osteotomy and pin fixation.	No	--
36	Dr.Chetan Rathod	Clinical management of humerus fracture using intramedullary humers naing system.	No	--
37	Dr.Harshvardhan Jadeja	1."Study of Meyer's procedure (Muscle Pedical Bone Grafting) in neglected case of fracture neck femur " – A study of 20 cases"	No	--
38	Dr.Harshvardhan Jadeja	2."Foreign body reaction to orthopedic implants – GOSSIPBOMA" - A case report. -	No	--
39	Dr.Harshvardhan Jadeja	3."A case of bilateral simultaneous traumatic displaced intertrochanteric fractures in a young patient "– A case report	No	--
40	Dr.Harshvardhan Jadeja	1."Study of Meyer's procedure (Muscle Pedical Bone Grafting) in neglected case of fracture neck femur " – A study of 20 cases"	No	--
41	Dr.Harshvardhan Jadeja	2. "Lateral discoid meniscus "Arthroscopic treatment – A case report.	No	--
42	Dr.Harshvardhan Jadeja	3. "Suprapatellar pouch ot the knee and its disorders" – A review article	No	--
43	Dr.Harshvardhan Jadeja	1.Arthroscopic treatment of popliteal cyst and visialization of its cavity through posterior portal of knee : A technical note	No	--
